DECEMBER LEADERS' TRAINING CAMP

"Who do you say I am?"

Our theme took us deep into scripture where we spent time on learning and experiencing Jesus as the Bread of life, Light of the World, Sheep's gate, the Good Shepard, the way, truth & life, the Resurrection and the life, the True vine as well as the Alpha and Omega. In between these sessions the youth chose from a variety of workshops and In-Depth Trainings (IDT) that have not only brought them closer to God but has equipped them in leading in ministry now in 2018. We thank you for covering our team in prayer and hope to share more stories with you in person. Today we have two short written testimonies to give you a taste...

Jennifer Steele:

“Dcamp was a truly life-changing time. It opened my eyes to see that God’s kingdom is not limited to our church and the people I meet on a weekly basis, but extends far beyond the usual boundaries of my life. I’ve been able to meet other teenagers who believe in the Same God I do, with whom I can talk about things that really matter to me and events that deeply impact me. I’ve met people who are different to me and people who are similar to me – but each one has shown me God’s love and acceptance in their individual ways. I’ve grown in my relationship with God and in my personal capacity as a result of Dcamp and I wouldn’t trade those experiences for anything.”

ALLY SENYARD:

“In my IDT we looked at the story of the Prodigal son which emphasized for me that no matter how many times I mess up or run away from God that He will always be there with open arms waiting for me. Due to having a concussion the sound was too loud for me and so I missed out on worship. As much as this saddened me I definitely still received a lot from DCamp. One of the things I have brought back with me is using a mandala to pray as it helps keep me focused.”
