

An exciting time where about 40-60 young people of the church give a week of their holidays (or leave, if they work) to sharing the joy of the gospel with anywhere between 200 and 400 children from the community! As you can imagine this is a rather large event. During the week 2<sup>nd</sup>-6<sup>th</sup> April the young leaders become a family, living at the church, sharing in meals and growing in God. They will look after children in the mornings from Tuesday to Friday. Holiday Club is one of TMC's biggest outreaches and there are a number of areas, indicated overleaf, where we will need your support.

## How can I help??
