

People Helping People Project:

Have you ever needed the services of a trusted professional, but weren't sure who to call?

Are you a business owner and want others to know of the product or service you provide?

Trinity Business Directory:

- You may list your business; any services offered; or products sold (your own or a family member).
- The directory will be made available in hard copy format at this stage.
- The directory is for the use of Trinity members and their families & friends.
- Trinity is not in a position to endorse the services or products offered
- This will replace the Yellow Pages.

If you would like your business to be advertised, please complete the slip and drop it into the Communicator Box:
