

It's our birthday!

It's our Birthday this month!

As we celebrate 74 years of worship, ministry, scripture study, fellowship and partnering with God to build the kingdom in our area, we invite you to celebrate with us.

This Sunday we will have only one combined service in the church at 9.30am.

In the service we will celebrate ONE HEART, MANY VOICES, sing in multi-lingual worship, share communion together and enjoy being part of the Trinity Family.

Children will join the celebrations at the beginning of the service and then go to the unveiling of the newly renovated EduCare centre where they will enjoy birthday party games and snacks.

After the service everyone is invited to bring-and-share cake in the Hall and Amphitheatre – like you should with all good birthday celebrations!

Everyone is invited!

If you're planning to join us this week, these are the preachers and services you can look forward to:

We are praying for...

As this Sunday is Trinity's annual celebratory combined birthday service, our intercessory prayer for this week will be for the work, the people, and the communities of Trinity.

May God continue to bless us, as God's church!

We're praying for...

IT Portfolio

Are your digital defences as strong as your faith?

Trinity's IT Portfolio is looking for a passionate IT Security volunteer to help safeguard our church's network, systems, and data against digital threats. If you have a background in cybersecurity, network safety, or system administration—and a heart for serving behind the scenes—we need your skills to keep our ministries running safely. Join us in using your tech gifts to protect our community; contact Brett at laypastor@trinitylinden.org.za or 0118881740 to find out more.

Secondhand Laptops

The Reach Out Portfolio is making an appeal for donations of secondhand laptops.

A number of our organizations we partner with are in need of laptops and we have a congregation member who is prepared to refurbish old laptops. Please do consider this appeal if you have a spare or unused laptop. It could be of huge benefit to someone else.

They can be dropped at the church office. Thank you.
